PIEDMONT TRIAD'S
HOMETOWN TEAM

2008 Carolina Dynamo Super Y-League Program

Mission Statement:

The Carolina Dynamo/Greensboro Youth Soccer own and operate the Senior Teams in the USL Premier Development and W-League, along with six youth teams competing in the Super Y-League & the Super 20 Men's Team.

Our mission is to identify and train players to participate in representing the Carolina Dynamo for competition in the Super Y-League. We are interested in the top players to compete for regional and national competitions. Players and families must understand the concept of representing and supporting the Sr. Teams.

The League:

The Super Y-League is a North American youth league designed for identifying US National Team players from the top one percent of elite youths. Competition includes youth Development Teams of USL, MLS, MISL senior teams creating a vertically-integrated soccer system.

The Benefits of participating in the Super Y-League ODP system are listed below:

- 1) Selection of players within the natural environment on their SYL team within league play, as opposed to an open try-out system. Some players do not react or perform well in an open tryout process.
- 2) Exposure to U.S. National Staff and Team Coaches
- 3) Exposure to professional and collegiate scouts.

SYL ODP National Team Technical Director--John Hannan

The Players:

We will evaluate each team on a week by week basis; players will compete for playing time. We have a 25 child player pool to insure we have a strong team during vacations, club or family commitments. Playing time is not guaranteed.

The Season:

All of the Dynamo youth team matches takes place the months of June, July and early August. The schedule consists of 9-13 games with the season culminating in November with the North American Championships in Tampa, Fl.
